CHAMPIONSHIP ON SATURDAY

Eastern College League Opens
Season Here With Randolph-
Macon.

Pennsylvania's strong base-ball nine will be in Richmond today, and will tackle the snappy aggregation that Coach Dunlap, of Richmond College, will send to the diamond at Broad Street Park.

The Pennsylvania University nine has been in Charlottesville and dropped the game there Tuesday to the 'Varsity team. Just what kind of showing the boys from the Keystone State will make when they land against the Spiders is a subject that is being talked all over Richmond. The crowd to witness the game will be a large and enthusiastic one. All of the students of Richmond College have friends in the city and they will be there to root for the local aggregation.

Anyway, if the Spiders play as gingerly ball as they did on Monday, when William and Mary went down to defeat, the Pennsylvania diamond gladiators will not have such an easy time in capturing the game. Lakin and Richardson, and perhaps Throckmorton, will do the pitching for the Spiders, and the rest of the fellows to take a hand in the game will be Martin, at first; Handy, at second; Richardson, at third; Tallman, short; Clark, at left field; Saunders, in right garden; Miller, in the center field, and Mench or Harrison, in the left field.

Eastern College League

Season Opens Saturday.

The Eastern College League season will open here Saturday when Randolph College and Richmond College will tussle for the first game. This will mark the official opening of the season, and there will be plenty of rooters from each school.

Randolph-Macon players will be accompanied to the city by hundreds of fellow-students and friends, and Broad Street Park bids fair to once more present the holiday appearance.

The colleges represented in the Eastern College League are Richmond College, Randolph-Macon College, William and Mary College, and Hampden-Sydney College.

Fredericksburg College was in this league, but forfeited its membership last fall, when no foot-ball eleven was organized. The rule of the league is that every college represented must have a bona fide foot-ball and base-ball organization.

Powhatan Ball Club

Has Been Organized.

The Powhatan Base-Ball Club has been organized in Fulton, with the following officers and members: Mr. W. J. Williams, president; Mr. J. C. Crumpton, secretary; Mr. Morgan, pitcher; W. Darby, shortstop; B. Gathright, first base; O. Foster, second base; D. Hunter, third base; D. Hogan, left field and pitcher; O. Goode, center field; C. Hampton, right field, and T. Minter, pitcher.

The two Foster boys are brothers of Red Foster, the old Richmond base-ball player, who will be Manager Shaffer for this year. Danny Hogan, who is put down for field work and also for the work in the box at times, was one of the fastest little players seen at Broad Street Park last season, and he will be in a position this year to hold down any position on the diamond.

Church Hill Brownies

Are Out With Challenge.

Mr. V. Howard is manager of the Church Hill Brownies, a fast lot of youngsters, who will try to win all the games they play this season. Mr. Howard is anxious to receive challenges from other teams composed of boys not over eighteen years of age.

The line-up of this aggregation of future stars is like this: Talley, at second; Howard, at first; Goode, on the third base; Bryant, taking the hot ones at short; Hickman, pulling down the high ones in center; Walker, doing the honors in right, and Carter, taking those which come into the left field. Bowers and all the Bowerses are good ball players and will do the pitching, while Woodley will receive the batters under the willow.

BRING JOE GRANT TO
WRESTLE CHARLIE KELLY

JOE GRANT.

James E. Munn, the promoter of wrestling in Richmond, is in communication with Joe Grant, of Baltimore, who is expected to meet Kelly, a champion mat artist, at the Casino here this summer.

Grant wrestled here two years ago when Dwyer made the exercise so famous. He was then pitted against Reincke and held the third fall because of a strained arm.

He has improved much since that time and is expected to make good on the mat this year.

No. 403 East Marshall Street Tuesday night had elected officers of an athletic association. The Eastern College League is not the only one in the city. The new organization was elected permanent chairman of the organization, and Mr. Fred Kuchman was chosen as secretary. Much interest was manifested among those present.

The following membership committee was elected: Messrs. Pete Pacini, Buck Zuber, Willie Burnett and Dick Tillery. The organization expects to contain members who will participate in such athletic exercises as jumping, pole vaulting, wrestling and sprinting. Those who wish to join the association may do so by communicating with Mr. George W. Flubert, No. 8 East Marshall Street.

Every Convenience for

Players and Public.

The grounds at Broad Street Park have been put in fine condition for the opening of the season and there is seating capacity large enough to accommodate the vast throngs that will witness the struggle between Charlie Shaffer's aggregation of ball-tossers and the nine that are to be sent here from Norfolk, Portsmouth, Roanoke, Lynchburg and Danville.

A telephone will be placed in the box office and it is probable that the Western Union Telegraph Company will install an instrument in or near the press box, so that the game by innings will be flashed over the wires for the benefit of those in other cities who will follow the game. The press box will be built beneath the grand stand, or rather in the corner of the grand stand and directly behind the catcher. This will afford the newspaper men and the official scorers an opportunity to watch every play and will at the same time prevent them from being worried by the hundreds of curious eyes that are usually fixed at them by the anxious fans.

Fredericksburg College Not

in the Eastern League.

Fredericksburg College will have its baseball nine play at Broad Street Park with Richmond College. Fredericksburg is said to have a very fast team, and the Spiders will use Gardner in the box against them.

The game will not count in the championship series, for Fredericksburg is not in the Eastern College League this year, having failed to put a foot-ball eleven on the gridiron last year and thereby forfeited its membership in the league.

Final Game of Ten

Pins Friday Night.

The final games of the series of nine games will be bowled on Cook's alleys to-morrow night between Cook's team and Williams's team.

Six games have been bowled between the squads, and as it stands now Cook's team leads by twenty-five points in the aggregate. Williams's team will try to overcome this number of pins, and win the championship at to-morrow night's match.

There are many bowlers in the city, and much interest is manifested in the games that are to be played.

QUAKERS EVEN UP
WITH VIRGINIAWin the Second Game at the Uni-
versity By Score of Two

THE VETERAN TWIRLER HAY

Virginia Never Reached Further
Than the Second Base—A
Perfect Game.

(Special to The Times-Dispatch.)

CHARLOTTESVILLE, VA., April 4.—Pennsylvania evened up for yesterday's defeat at the hands of Virginia by capturing today's game by the score of 2 to 0. To turn the trick, however, the Quakers found it necessary to trot out their veteran twirler, Hay, who downed Cornell at Ithaca last season in the final contest of the championship series.

He had all sorts of speed, and pitched better ball as the game progressed, retiring three on strikes in the eighth inning. Not a Virginian got beyond second base.

Virginia opened the contest with another freshman in the box—Bingham, a youngster from University School, Louisville, Ky. The lad got along fairly well until the third inning, when he passed two Quakers to first and fumbled a bunt, filling the bases. With two hands down, Moore was sent in to pull the team out of a hole, and this the Arkansas' boy did by retiring the next batter.

Despite the inequality of the slabmen, the contest was nip and tuck up to the seventh inning, when Pennsylvania sent a runner across the plate. Webb started off with a nice single between first and second, pliffed second, and scored on another run was added in the eighth. Wilson beat out an infield hit, was sacrificed to second by Captain Here, and counted on Yorkes's fast grounder past shortstop.

The Quakers put up a perfect game in the field. Captain Here and Yerkes felded sharply, the former pulling down a foul fly to the left of the grand stand after a long run. The Quaker captain also led at bat, while his sacrifice in the seventh was directly responsible for Pennsylvania's first tally.

Virginia pulled off two fast doubles, and the work of her outfield was faultless. Dalton again showed his superiority with the stick.

Score by Innings: R. H. E. Virginia.....0 0 0 0 0 0 0 0—0 Pennsylvania.....0 0 0 0 0 1 1 2—2 Batteries: Virginia, Bingham, Moore and Woodson; Pennsylvania, Hay and Here.

Norfolk Team Shows Latent

Strength But Plays Losely.

(Special to The Times-Dispatch.)

NORFOLK, VA., April 4.—In their first game of the season, the Norfolk Tercenials were easy victims for the Boston Nationals. But while playing loosely at times, the home lads showed unmistakable signs of strength, several first plays being made.

The well-trained Bostonians were too swift for them.

It was the first time that the Tercenials have really gotten together this season. However, for four innings, while Leonard was pitching, no Bostoner was held in check. Not a hit was made off Leonard, and he will be a proposition to reckon with in the league.

Score by Innings: R. H. E. Boston.....1 0 0 4 5 2 1—13 Norfolk.....0 0 0 2 0 0 0—2 Batteries: Leonard and Pfeiffer and O'Neill and Brown; Leonard, Olay and Webster and Edwards and Evans.

Earned runs, Boston 2, Norfolk 1. Two base hits Townsend (Norfolk) and Tenney and Bates (Boston). First base on balls, Leonard 2, Olay 1, McCarty 1. Hit by Leonard 4, Olay 1, McCarty 3, Pfeiffer 4. Double plays, Bidwell to Brain to Tenney (Boston) 2. Time of game, 1:45. Attendance 800.

RICHMOND GUN CLUB

HOLDS ANNUAL MEETING

Mr. V. Hechler is President.

Season Will Begin May 1st.

New Members.

The annual meeting of the Richmond Gun Club was held last night in the of-fice of Harris, Filippin & Co. The following officers were elected for the coming year: V. Hechler, president; C. C. Coleman, vice-president; J. A. Anderson, secretary-treasurer; H. C. Boudier, assistant secretary; George C. Robinson, captain.

The West End and Richmond Clubs will host shoots Thursdays and Saturdays, respectively, during the season, commencing May 1st.

The club-house has just been rebuilt, and is now more attractive and convenient than the arrangements last season. Mr. C. B. Fide, one of Richmond's best marksmen, has moved to his former home, Cincinnati. He will be greatly missed by his many friends, especially the "society" gunners.

A number of new men are joining the club, and the coming season promises to be a wrestling one for years in the interest of trap-shooting.

A practice shoot will be held Saturday under the auspices of the Richmond Club. All shooters are invited to attend.

IMPORTANT NOTICE TO
MINOR LEAGUE CAPTAINS

Captains of managers of all the amateur base-ball teams in the city can secure from the sporting editor of The Times-Dispatch official score sheets.

This is for every captain of every base-ball club in Richmond, Manchester or in the vicinity. The managers of the minor leagues will be given all the score sheets they will need for the different games during the summer.

The Times-Dispatch will print all challenges from different teams, will carry, in brief, the result of each game, and will print each week the standing of the clubs.

Those desiring to avail themselves of the opportunity of getting enough score blanks to last them during the season should apply to the sporting editor of The Times-Dispatch, between 12:30 and 1 o'clock in the day, or between 5 and 6 o'clock in the afternoon, or after 9:30 o'clock at night.

BOXING AGAIN AT
MADISON SQUAREAttempt Now Being Made to Re-
vive Sport in New
York.

LIMIT FIGHTS TO 4 ROUNDS

NEW YORK, April 4.—Unless the police authorities interfere, boxing is to be revived in Madison Square Garden within two weeks under the direction of "Pat" Powers and others.

"Tim" Hurst will be the referee. Contests will be restricted to four rounds.

"Que" Ruhlman, a heavyweight, will be the principal in one of the opening bouts. His opponent has not yet been selected.

Marvin Hart was selected to meet Ruhlman, but declined the engagement because Messrs. Powers and Pollock insisted that the men battle within two weeks. Efforts are now being made to get another heavyweight to take Hart's place.

For the last year limited round boxing bouts have been held in buildings in different parts of the city, and few have been stopped. Powers and Pollock say they have options from two leading attorneys saying that bouts can be held in the garden without violating the law.

Boxing on Coast.

SAN FRANCISCO, April 3.—The boxing tournament for the national amateur championship, to be held under the auspices of the Olympic Club this week, will have one hundred and fifteen contestants. There was a large number of entries, but the candidates were subjected to such a rigid physical examination by the club's corps of physicians that a number of them were refused permission to enter the lists.

The boxing will be held Wednesday, Thursday and Friday nights, and so great has been the manifestation of interest that the tournament promises to be a financial as well as a sporting success. All of the Eastern boxers have arrived and have resumed their finishing training.

Allen Bests Otto.

PHILADELPHIA, PA., APRIL 3.—Though he did not succeed in stopping him, as he did last week, Johnny Allen gave Young Otto one of the worst of Gruellings seen in any local ring for a long while. After the first round Otto seemed to lose both his steam and his nerve, and on more than one occasion gave unmistakable signs of his willingness to quit. Having every physical advantage—height, weight, and speed—he never hesitated to utilize the latter.

He practically stalled all through the last rounds, holding and hugging, despite the warnings of the referee. Nor did he stop there. According to the agreement entered into before the bout began, the break was to be clean. Yet in the third round he tried to cop Allen after he had been ordered to break, and in the fifth he deliberately tried to backheel him. In the fourth round, Allen drew a little blood from Otto's nose. This seemed to unnerv the New Yorker, after which his stalling tactics evoked the audible expressions of disgust from the spectators. For an alleged champion he is the rankest contortist that ever showed here.

BIG CROWD AND FINE SPORT

Ideal Weather and Society Turns

Surprises.

(Special to The Times-Dispatch.)

WASHINGTON, D. C., April 4.—The day was beautiful, the track was fine, the crowd was large, including a large number of well known men and many women prominent in Washington society, and the betting was lively out at Bennings this afternoon.

The sport was good also, though not the best of any day of the meet. The racing to-day was marked by a large number of favorites that took money. Hyperion (2 to 1) took the first, winning handsly from Suffice (8 to 1), and the latter took second about as easily from Velled Lady (4 to 1). Town Topics (4 to 1) romped home in the second, Mary Cusler (3 to 1) finishing second, and Jobstown (1 to 2) third.

There was a lot of rough riding in the third event, and in the mix-up at the start Ray Boy and Lucy Strome were left at the post, and then Jack McKoon, a twelve to one shot, cantered home, followed by Billy Grier's Judge, while even money, with DeKaker (1 to 2) three lengths behind.

Al. Powell (3 to 2) had only to gallop to take the fourth; Orphan Lad (7 to 5) came in second, and Mode (3 to 5) third. Pacon, at even money, was played heavily and won easily in the next event.

Zany, at 4 to 5, coming in behind him, and Kuro (3 to 5) finishing next.

All three winners were heavily played in the fifth hit, Bobbie Keane (8 to 5) won, and Joe (6 to 5) second, while Phoebe (11 to 1) won in the sixth.
